## VISSION

We at United Group of Institutions, aim at creating a workforce of professionals with analytical skills who can dream a better world and transform the dream into reality. We will create a dynamic and collaborative climate to broaden our students' competence; and build an Institute that is resilient, flexible and productive. We will be recognized for high ethical standards and responsiveness to the social environment.

## MISSION

We aspire to reassert the significance of high quality education by producing competent professionals who can shape the destiny of our nation into a stronger and developed stature. We envisage that high quality education using interactive methodologies will equip students to excel as a professional. The values instilled among students while imparting education, will strengthen the moral and ethical fabric of the nation and revive the human spirit. The zeal of competitiveness will always be positive and setbacks will only be catalysts for greater achievements. With these beliefs, the United Group will strive towards faster evolution, and will make its marks on the global academic map.

# EMPOWERING MINDS SHAPING FUTURES

It's our mission at UGI to prepare you for the future – whatever it's going to look like for you. With experts predicting that by 2025 around 50 per cent of jobs as we know them today won't exist, it's vital that when you graduate you have a skill set that allows you to reinvent yourself in any industry. So we'll encourage and support you to develop your practical know-how alongside your technical skills, grab opportunities to experience new things here in India and across the globe, get as much hands-on experience as you can, and network with our industry and community partners.

# FULLY EQUIPPED LABS

## LABS

The department comprises sophisticated laboratories like operating system lab, project development lab, computer hardware lab, auto-cad lab and internet lab.

- DBMS LAB
- COMPUTER NETWORK LAB
- JAVA PROGRAMMING LAB
- R&D LAB
- C/C++ PROGRAMMING LAB
- ARTIFICIAL INTELLIGENCE & MACHINE LEARNING LAB
- PYTHON LAB
- ALGORITHMS LAB
- PROJECTS LAB
- LINUX ADMINISTRATION LAB

There are ample career opportunities in the field of Computer Science. A Computer Science degree at UGI will open up avenues for its scholars in the fields of database management, embedded systems, IT, tele-communication, multimedia, computer hardware & software implementation, computer hardware & software maintenance, gaming, web designing and other related industries. Since a computer engineer has an extensive understanding of electronic devices such as microprocessors, local and wide area networks, and even supercomputers that form the basis for worldwide communications, the career paths are wide and varied. Their understanding on microprocessors, local and wide area networks and computers that form the basis for worldwide communications (supercomputers) give them this advantage. With a huge explosion in data and its applications, a career in the field of Computer Science and Information Technology can be very promising as:

- Computer Programmer
- Software Engineer
- System Designer
- Software Developer
- Professor
- Engineering Support Specialist
- Academic Research Editor
- E-Commerce Specialist
- Data Warehouse Analyst
- Big Data Engineer
- Business Intelligence Developer
- Data Scientist
- Machine Learning Engineer
- Research Scientist
- AI Data Analyst
- AI Engineer
- Robotics Scientist, etc.

# DEPARTMENT OF COMPUTER SCIENCE ENGINEERING

The aim of the department is to train up quality IT professionals and computer engineers to fulfill demand of skilled talent in IT sector. The department promises to go ahead with the challenge and to create a revolution keeping pace with the change of the time. Department of CS &IT offers wide range of practical training and exposure to both Software and Hardware that have industry and trade applicability. The course focuses on complete software development life cycle, database system, knowledge discovery with judicious blend of technical skills.

Computer Science & Engineering	4 years
Computer Science & Engineering (Artificial Intelligence & Machine Learning)	4 years
Computer Science & Engineering (Data Science)	4 years
<b>M Tech</b>	
Computer Science	2 years

## DEPARTMENT OF CIVIL ENGINEERING

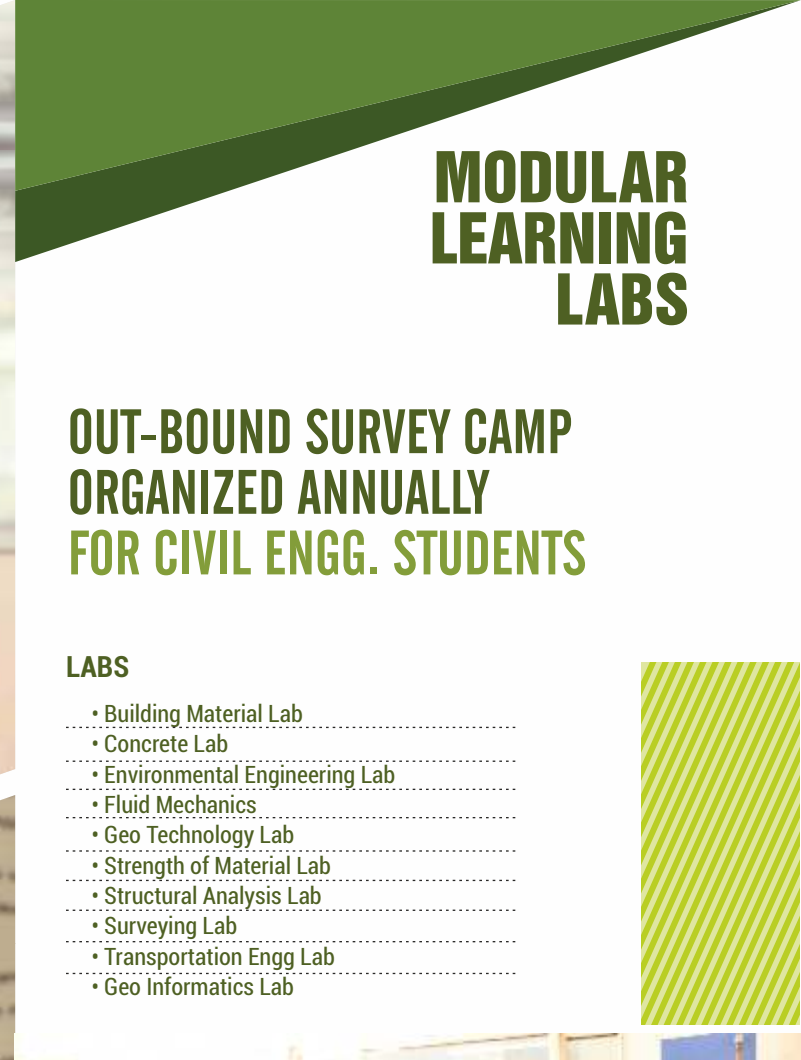

Department of Civil Engineering is an integrated department which comprises the best academics, staff and students from around the United Group of Institutions. The department focuses on advanced research and education in the broad area of structural, geotechnical, transportation, surveying, and hydraulic engineering.

The educational objectives of the civil engineering program are designed to produce skilled engineers who are ready to contribute effectively to the civil engineering profession and are ready to handle the challenges of the profession. The civil engineering department is committed to produce civil engineers who:

- Shall apply fundamental technical knowledge and skills to find creative solutions to technological challenges and problems in various areas of basic sciences and engineering.
- Shall be able to analyze, design and use skills in order to formulate and solve civil engineering problems.
- Shall be able to practice civil engineering in a responsible, professional and ethical manner and implement eco- friendly sustainable technologies for the benefit of industry and society.
- To take up higher education & to engage in research and development in civil engineering and allied areas of science and technology.

## COURSES OFFERED

COURSES	Duration
Civil Engineering	4 years
<b>Engineering Diploma</b>	
Civil Engineering	3 years

## MODULAR LEARNING LABS

### OUT-BOUND SURVEY CAMP ORGANIZED ANNUALLY FOR CIVIL ENGG. STUDENTS

#### LABS

- Building Material Lab
- Concrete Lab
- Environmental Engineering Lab
- Fluid Mechanics
- Geo Technology Lab
- Strength of Material Lab
- Structural Analysis Lab
- Surveying Lab
- Transportation Engg Lab
- Geo Informatics Lab

After the successful completion of course, graduates have wide opportunities to work in private and public sectors and industries. Graduates also have scope for pursuing higher studies and/or research.

## CAREER OPPORTUNITIES

- Building control surveyor
- CAD technician
- Consulting civil engineer
- Contracting civil engineer
- Design engineer
- Estimator
- Nuclear engineer
- Site engineer
- Structural engineer
- Water engineer
- Building services engineer
- Construction manager
- Engineering geologist
- Fire risk assessor
- Geotechnical engineer
- Patent attorney
- Quantity surveyor
- Sustainability consultant
- Urban designer

**ELECTRIC VEHICLE LAB

- Microprocessors and Embedded Systems Lab .....
- Basic Electrical Engg Lab .....
- Control Lab .....
- Simulation Lab .....
- Measurement Lab .....
- IoT Lab .....
- Power System Lab .....

Electrical engineering is one of the preferred disciplines in the field of engineering and technology. Electrical engineering is divided into many subfields that include electronics, digital computers, power engineering, telecommunications, control systems, radio-frequency engineering, signal processing, instrumentation and microelectronics. Due to the mammoth-like size of the electronics industry and the rapidly increasing use of electricity, career opportunities in Electrical Engineering are also increasing.

The Faculty of E & T, through its courses in Electrical Engineering would mould its students for the options available in the field of building industries and services, manufacturing, construction, design, transportation network, wireless communication, automotive, defense, sales, production, management and distribution of power. Also higher education options are available to those who aspire to choose their profession in teaching and research in electrical engineering. Some of the job profiles are:

- Engineering Technologist
- Development and Test Engineers
- Electrical Product Design Engineer
- Project Manager
- Chief Engineers
- Operations Manager
- Consultants
- Project Head

**DEPARTMENT OF  
ELECTRICAL  
ENGINEERING**

Department of Electrical Engineering at UGI offers a unique mix of electrical, electronics and computer related courses enabling the students to take up professional career / higher studies in any of these areas. The curriculum based on a credit scheme is updated periodically to reflect changes in the electrical & electronics profession in consultation with experts from industries and renowned academic institutions. Some of the innovative practices are included as part of the curriculum like practice school, mini projects associated with lab and theory courses, continuous evaluation, relative grading, etc. The department has excellent link with leading industries and has a well-connected alumni network.

**COURSES OFFERED**

COURSES	Duration
Electrical Engineering	4 years
<b>M Tech</b>	2 years
<b>Engineering Diploma</b>	3 years

**CAREER  
OPPORTUNITIES**

# DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

Department of Electronics and Communication Engineering is well equipped to provide excellent facilities to the students. The department has skilled professionals with ultra modern sophisticated laboratories equipped with analog electronics lab, digital lab, communication lab, microprocessor lab, measurement lab, radio and TV lab, maintenance lab and basic electronics lab. The department is enriched by brilliant faculty members and eager students.

## COURSES OFFERED

COURSES	Duration
<b>B Tech</b> Electronics & Communication Engg.	4 years
<b>M Tech</b> Electronics & Communication Engg.	2 years

## HIGH END DESIGN & ANALYSIS LABS

### TOP NOTCH HARDWARE AND SOFTWARE FACILITIES

#### LABS

- Digital Electronics Laboratory
- Microprocessor and Embedded System Laboratories
- Analog and Digital Communications Laboratories
- VLSI Design Lab
- Software Lab
- Microwave Lab
- Simulation Lab
- PCB Lab
- Project Laboratory
- Micro Controller Laboratory
- Digital Signal Processing Laboratory
- Control System and Instrumentation Laboratories

As an ECE graduate, you can make a career in industries like manufacturing, consumer electronics manufacturing, digital communication industry, IT, healthcare tools manufacturing, and mobile communication sector and power electronics. Graduates can choose from industries like

- Automation
- Software Solutions & Consulting
- Product Development
- Aerospace
- Automotive Electronics Medical Electronics, Research, etc
- VLSI
- Signal Processing
- Image Processing
- Robotics
- Embedded Systems
- Telecommunications - Wireless, Satellite, etc
- Control Systems and many more

## CAREER OPPORTUNITIES

# STATE-OF-THE-ART LABS

## STATE-OF-THE-ART COMPUTER AIDED MANUFACTURING LAB (CAM)

### LABS

- Refrigeration & Air Conditioning Lab
- I C Engine Labs
- Fluid Mechanics and Machinery Fluid Lab
- Strength of Materials Lab
- Material Science Lab
- EDM , FMS, CAD Lab
- Automobile Lab
- Dynamics of Machines Lab
- Measurement & Metrology Lab
- Mechatronics Lab
- Engineering Mechanics lab
- CAM Lab
- Robotics Lab
- Engineering Workshops

If you are interested in machinery, material science, robotics, micro devices, weapons design, aircraft, watercraft, and their manufacturing, then mechanical engineering is the best choice to convert your passion into profession. Being one of oldest and broadest disciplines of engineering, jobs offered to skilled mechanical engineers are in plenty and unending. Industries like automobiles, space research, bio-mechanical, aeronautical etc. are constantly looking for mechanical engineers and this what this faculty targets and prepares its students for. After the completion of the course in mechanical engineering at UGI, lots of opportunities could be explored upon in various fields of manufacturing, production, services and development. Some of the job profile offered by prominent industries in India and abroad are:

- Mechanical Engineer
- Design Engineer – Mechanical
- Automotive Engineer
- Building systems Engineer
- Power Plant Engineer
- Robotics Engineer
- Chief Mechanical Engineer
- Heating Specialist Engineer
- Lubrication Engineer
- Mould Design Engineer
- Thermal Power Engineer
- Tool Engineer

## DEPARTMENT OF MECHANICAL ENGINEERING

Mechanical Engineering Department is one of the oldest and robust departments of the UGI . Objective of the Mechanical Engineering department is to prepare the manpower that is globally best. Most of the students, who graduate from the department, end up taking leading positions in industry, academia and government in both India and abroad. The Mechanical Engineering Program is designed to prepare students for successful careers having positive societal impact in industry, government, academia, and consulting. Our alumni are expected to:

- Apply their engineering knowledge, critical thinking, creativity, and problem solving skills with integrity and inclusivity in professional engineering practice or in non-engineering fields, such as law, medicine, or business.
- Continue their intellectual development through graduate education, professional development courses, self-directed investigation, and/or on-the-job training and experience.
- Embrace leadership and collaborative roles in their careers.

## COURSES OFFERED

COURSES	Duration
<b>B Tech</b>	4 years
<b>M Tech</b>	2 years
CAD	2 years
<b>Engineering Diploma</b>	3 years
Mechanical Engineering	3 years

## CAREER OPPORTUNITIES

## DEPARTMENT OF COMPUTER APPLICATIONS

At UGI, primary aim of Faculty of Computer Applications is to train and educate individuals who have keen interest and desired skills to be able to fulfill the requirements of the IT industry. The curricula so designed represent a combination of computing trends and latest technologies creating a fertile ground for the cultivation and dissemination of knowledge and skills for the future researchers, powerful academicians and innovative IT Analysts.

### COURSES OFFERED

COURSES	Duration
<b>MCA</b>	
Masters in Computer Application	2 years
<b>BCA</b>	
Bachelors in Computer Application	3 years

### CAREER OPPORTUNITIES

### SMART CLASSROOM & LIVE INDUSTRIAL PROJECTS LABS & WORKSHOPS

Faculty of Computer Applications at UGI is fully equipped with computer laboratories and smart classrooms. Students are exposed to live industry projects to enable them to gain insights into the working of the IT industry. Students will be able to work on the specializations like Software Development & Testing, Systems Engineering, Networking, Application Software, Hardware Technology, Troubleshooting, Gaming etc.

Career prospects after BCA & MCA include job profiles such as:

- Software Developer
- Software Engineer
- Software Consultant
- Software Application Architect
- Hardware Engineer
- Computer System Analyst
- Database Administrator etc.

## STATE-OF-THE-ART BUSINESS LAB

### LABS & WORKSHOPS

UGI intends to ensure a fully digitized B-School Faculty that facilitates research and learning with relevant and modern e-learning resources, software and tools. The FMS(Faculty of Management Studies ) will use its capacity to bring the industry intelligence to the classrooms and transform the industrial requirements into curricular activities and future opportunities for the learners. The state of art business labs that prepare students for placements include:

- Psychometric Lab
- Communication Lab
- Ideation & Innovation Centre
- Business Analytics Lab

The curricula enriched with such business practices, accounting and finance, business analysis, management, marketing, human resource management effective communication and information technologies make the students prepared to explore opportunities and careers on their own. Besides the academic rigor of the program, there is a great emphasis on inculcating attributes like global thinking, decision making and personal effectiveness so that students not only achieve their goals in academics but also in their career and personal life.

## DEPARTMENT OF MANAGEMENT STUDIES

Faculty of Management Studies is a research-driven vision of United Group of Institutions that paves a way forward to academic excellence. At UGI, the multi-faceted and scholarly faculty members have core industry background embedded with knowledge and experience to run the programs focusing upon students' practical managerial skills, analytical skills, communication skills and business skills. The uniqueness of this faculty is its strategy and philosophy of imparting business management principles for its application in industrial set up via case studies, projects, presentations, industrial visits and interaction with industry experts.

## COURSES OFFERED

COURSES	Duration
<b>MBA</b> Masters in Business Administration	2 years
<b>BBA</b> Bachelor in Business Administration	3 years

## CAREER OPPORTUNITIES

Career prospects after Management Studies include job profiles such as:

- Telecom
- Utilities
- Software Services
- Government Agencies
- Pharmaceuticals & Healthcare
- Retail
- Real Estate
- Sales Manager
- Marketing Manager
- Business Consultant
- Financial Analyst
- Human Resource Manager
- Finance
- Banking & Insurance

# DEPARTMENT OF PHARMACY

The Faculty of Pharmacy was established at UGI, with a vision to impart a high-level of knowledge and skills in Pharmacy, coupled with general education. The combination of Pharmacy education and general coursework can provide a broad base of knowledge that can be applied to pharmacy. The graduates produced will be able to meet the human resources requirement of pharmaceuticals industry. Also the graduates will be able to create new formulations and take entrepreneurial route for their career advancement. Moreover, this acts as a first degree to develop further expertise in a chosen domain.

## COURSES OFFERED

COURSES	Duration
B.Pharm.	4 years
M.Pharm.	2 years 2 years 2 years 2 years
D.Pharm.	2 years

## STATE-OF-THE-ART LABORATORIES

### LABS & WORKSHOPS

- Pharmaceutics labs
- Pharmacology labs
- Biotechnology labs
- Pharmaceutical Analytical labs
- Machine room
- Medicinal garden
- Animal House
- Simulation Lab
- Pharmaceutical Chemistry Lab
- Research Lab

Over the years large inflow of graduates and post graduates in the field of Pharmacy has led to an increase in career options and future prospects of Pharmacy students.

- Industry: as Industry Pharmacist/ Chemist/ Executive Sales and Marketing executive Drug Inspector Hospital and community pharmacist
- Entrepreneur
- Health Insurance executive
- Knowledge processing or organizations
- Clinical research co coordinators
- Medical Writing
- Pharma co vigilance executive

lush green campus

# INFRASTRUCTURE UNITED

# LIVE IT LARGE

United's Awe-inspiring infra-structure provides the students with an excellent environment to pursue their academic passion and for outstanding academic delivery. The campuses span more than 200 acres comprising lush green lawns dotted with hi-tech laboratories and modern buildings. The campus offers a fusion of environment, resources and support to maximize the quality of the student experience.

The spacious lecture halls, e-class rooms, Conference Halls, Induction Halls, Auditorium, Meeting rooms are well equipped with all latest gazettes, viz; ceiling mounted LCD Projectors, OHPs, Slide Projectors and other Audio-visual equipments providing environment conducive for teaching and learning. United takes pride in its advanced and state-of-the-art laboratories which assist the students to supplement theoretical knowledge with practical skills. The Libraries boast of a mammoth collection of more than 2,78,000 titles/books, magazines and journals. Book bank facility is also provided to each and every student. The students and faculty also have the access to the Nalanda E-Consortium through which they can access online material of IEEE, SPRINGER, ELSEVIER etc. We at United understand you and constantly strive to ensure the comfort of home at our place. We offer separate accommodations for boys & girls amidst an environment that stimulates learning and provides ample scope for recreation. Also services like Food courts, gymnasium, wi-fi, sports complexes, banks, hospitals create vibrant environment in our campuses, thus making it a second home for the students.

## LARGEST AUDITORIUM IN UP WITH 1600 CAPACITY

# LIFE BEYOND CLASSROOM

**MORE THAN STUDY**

“Student Central is such a student oriented place. It’s one of my favourite places on campus because it’s all about students. I love the fact that we have our own shop at the campus, and I love playing badminton with Team, it’s so easy to book a court in our Sports Hall.”

# LITERARY WRITING DANCE → DEBATES DRAMA

# → ACTIVITIES MUSIC QUIZZES

CAMPUS BUZZ

## BEYOND ACADEMICS

ACADEMICS FORM JUST ONE FACET OF THE LIFE AT UNITED. WE ENCOURAGE THE STUDENTS TO NURTURE THEIR LIVES OUTSIDE CLASSROOMS AS WELL. A SIGNIFICANT PART OF THE STUDENT'S YEAR ENCOMPASSES COORDINATING AND PARTICIPATING IN THE ABUNDANT CULTURAL ACTIVITIES.

We believe that being involved in organising such events imbibe a healthy will of competition and cultivates team spirit. events ranging from quizzes, debates, dance, writing, drama, music and literary activities hone an individual and ample platform is provided to showcase their flair.

2025  
UNITED TALKS

### TECHFESTS

To exhibit the technical aptitude of our budding engineers, an informative exposition is organized every year. It started with UNITECHFEST; an annual festival extravaganza organized at UNITED. In the subsequent years of roaring success of such FESTS, ENIGMA takes the cue which is not just a technical event but a platform bringing together ingenious minds that can showcase their exuberant talents. Valuable feedback is obtained from the academicians who grace the occasion. This facilitates them to delve into the concepts and theories even further thus grasping the in-depth details about the dynamics of their projects.

## ENIGMA STAGE PERFORMANCES

### CLUBS & SOCIETIES

UGI's vibrant tapestry of clubs and societies creates a dynamic campus life, offering students diverse opportunities for growth and exploration. From academic pursuits with the United Toastmasters International Club, Rotract Club, HR Club, Finance Club, to cultural immersion through SPIC MACAY, United embraces a holistic approach. Specialized societies like SPECTRUM, Mechanical Society, Electrical and Electronics Society and CS & IT Society cater to tech enthusiasts, while various student clubs foster shared interests. United offers a community where passions thrive, and connections are made.

### SPORTS MEET

Starting a new tradition, United hosted a sports meet this year inviting over 14 different colleges from around Prayagraj. The sports meet was conducted in 2 days with athletic events like track running, shot put discuss, javelin and tug of war and sporting events like football, basketball and volleyball. The response was overwhelming with over 700 participants in total from all colleges. This marked the first of many sports and athletics meet to come in the future.

# LEARNING THROUGH ACTIVITY

Under the wide umbrella of ESEP, UGI offers its students a set of 'transferable skills' that are not specific to one particular career path but are generic across all employment sectors. UGI knows the current market trend & its needs and also its students' interests & potential. With this understanding and emphasis upon a mix of skills required, ESEP@UGI offers myriad of opportunities to the career seekers of United:

1. GATE WAY TO 'GATE'
2. Verbal Ability Program (VAP)
3. Campus Recruitment Training (CRT)
4. Technical Trainings (TT)
5. Industrial Exposure
6. Programming Skill Development (PSE)

## INNOVATION CENTERS @UNITED

Innovation Centers at UGI are newly established units aiming towards nurturing the innovative ideas of scientifically and technologically-driven young minds and encourages UGI scholars for research project/proposal submissions. The prime objective of these Innovation Centers is to explore and enhance the creativity and innovation skills of UGI scholars and to pursue research that not only advances science and technology but also has a societal impact. Students with innovative ideas can approach the innovation centre for guidance and financial support. The Center is equipped with state of the art facilities for research and development. Other facilities required for projects like Internet, Printers, Software, Circuit Components, Fabrication support etc are also provided at the center. Application forms may be obtained from the innovation centre. Interested students may submit their applications along with the detailed proposal in the prescribed format and may get the funding from the institute after the project is approved as per the norms and criteria of the Innovation Center. At its seedling stage, the center has received enormous quality projects beyond its expectation.

Innovation Center, UCEM, Allahabad

Innovation Center, UCER, Gr. Noida

Innovation Center, UCER, Allahabad

## START UP CELL

'United Start up Cell' aims to help and support young aspiring entrepreneurs of UGI by nurturing and empowering their new and growing startups so that they coordinate and synergize various strands of excellence, innovation and entrepreneurship. The startup ecosystem includes faculty & staff members, students, alumni and business partners that can translate knowledge and technological innovations to the societal development and economical growth of the Nation by turning their ideas into action and thereby producing more job creators and social reformists. It is continually extending and expanding its support system as an INVESTOR, as an INCUBATOR, as a CONSULTANT and as an ACCELERATOR.

## INDUSTRIAL EXPOSURE

We at United Group Of Institutions put a lot of emphasis on holistic learning. We believe learning should not be restricted to four walls. To give our students an insight of the internal working environment and to sensitize them to the practical challenges that organizations face we incorporate industrial visit as part of the curriculum. The aim of this industrial visit is "Education – Exposure – Experience"

## INNOVATIVE LEARNING

### VERBAL ABILITY PROGRAM (VAP)

'Verbal Ability Program' (VAP) is another unique feature of UGI which gets motivation from the alarmingly need of improvement in English Proficiency/Communication and Aptitude along with the other Soft Skills, which often limit students' chances of landing a job. The passionate team of experienced faculty members at United makes the students work upon their Intelligence Quotient (IQ) covering Numerical, Analytical and Reasoning skills along with English Proficiency and also their Emotional Quotient (EQ) covering their Attitude, Communication, Interpersonal and decision-making skills etc.

### CAMPUS RECRUITMENT TRAINING (CRT)

Campus Recruitment Training (CRT), a significant training lead by outsourced professional trainers is the obvious solution to unlock students' verbal, numerical, analytical and logical skills. CRT@UGI is very effective tool for empowering especially the final year students with the 'Attitude' and 'Ethics' and making them ready to face the interviews for various in-campus and off-campus drives.

### TECHNICAL TRAINING (TT)

Another new practice for 3rd year students is free of cost In-campus 'Technical/Industrial Trainings' for different streams/branches lead by outsourced trainers having industry experience and pulse of Corporate World and who can deliver their corporate experiences, share inside secrets and tips on the business world, explain what is not covered in theory and how to apply theory in real life:

### GATE WAY TO GATE@UGI

GATEWAY TO 'GATE' is United's revolutionary trend of mentoring for GATE (Graduate Aptitude Test in Engineering) preparation, which is one of the biggest and the most prestigious exam for engineering graduates organized by the Indian Institute of Science, Bangalore along with all the IIT's on behalf of Government of India, NCB (National Coordination Board – GATE), Department of Higher Education and MHRD (Ministry of Human Resources Development). Spread across 6th to 8th Semesters, this spiral model of GATEWAY TO 'GATE' is an ideal preparatory forum initiated by UGI faculty for UGI students, who aim to qualify GATE and go for higher studies or PSUs.

#### Special Features of GATE WAY TO GATE:

- Making the students aware about the GATE syllabus and exam pattern.
- Through uniform distribution of subjects/topics across the semesters, reducing the burden at the time of examination.
- Making the students available the GATE reference books and study materials.
- Making the students practice and solve previous year' and sample question papers.

# UNITIANS

USA GLOBAL  
 SPAIN BANGKOK  
 EXPOSURE

I am here to help you build friendships with different cultures across the globe, get involved with lots of different events and represent your own culture on campus.

United Group of Institutions has academic collaborations with the International Universities/ Institutions, which has provided an umbrella for internationality, innovation, integration, information, technology and industrial partnership to all the bright souls of the group. Signing up of MoU (Memorandum of Understanding) with Asian Institute of Technology (AIT), Bangkok, Thailand, being the first initiative in this endeavor has opened the doors for Global exposure and Global future of Unitians. More than 1050 students have already participated in 'Summer Education Workshop' at AIT and entering into its 12th plan is ready to send good number of identified, talented and technology-driven future leaders from across the UGI in the year 2024. AIT collaboration provides an exchange platform for the students, faculty members with joint research projects, joint cultural programs/projects and joint conferences.

As a next step in this direction, MoU with the Missouri University, Columbia, USA, provides with a framework for a partnership agreement ensuring close cooperation and coordination of efforts concerning training, exchange of experts and scholars, participation in joint conferences etc. At University of Missouri, 15 Unitians participated in an exclusive 3 week summer program, which provided them exposure to the best of the facilities Missouri University had to offer.

Another MoU signed with URV Spain with an agreement to foster initiatives such as student and faculty exchange, joint research projects and cultural exchange.

At URV Spain first batch of Unitians participated in a 15-day summer program which gave them a rich global exposure and enriched their experience.

# ARTIFICIAL INTELLIGENCE LAB

Powered by Intel

Welcome to the newly established AI Lab at United Group of Institutions, developed in collaboration with Intel Unnati Program. This state-of-the-art facility is designed to empower students, researchers, and innovators with industry-grade infrastructure, global-standard learning environments, and real-world AI development capabilities. Our AI Lab is equipped with a **dedicated high-performance server**, advanced computing systems, and cutting-edge AI-enabled prototypes. The infrastructure supports intensive workloads such as deep learning training, computer vision modeling, data analytics, and large-scale experimentation. **Designed with international standards**, the lab offers a modern, collaborative, and innovation-driven environment. The professional ambience encourages creativity, teamwork, and hands-on exploration, creating a perfect ecosystem for next-generation technology learning.

## Key Highlights

- High-Performance AI Server Setup
- High-End Computing Systems
- AI-Enabled Prototypes & Toolkits
- Intel Unnati Collaboration
- Global Learning Environment

At United Group of Institutions, we believe in bridging the gap between academia and industry. With the Intel-powered AI Lab, we reaffirm our commitment to delivering future-focused education, hands-on learning, and global exposure to our students.

RESEARCH AT UNITED OUR LEARNING AND TEACHING, IS DEMAND LED AND INCREASINGLY INTERDISCIPLINARY.

WE ARE COMMITTED TO DISCOVERING NEW KNOWLEDGE AND DELIVERING REAL BENEFIT TO CULTURE, INDUSTRY, SOCIETY AND THE ENVIRONMENT.

# INCUBATION HUB

UIH-United Incubation Hub is an initiative taken by United Group of Institutions and approved by government of Uttar Pradesh, to provide transitory and facilitative assistance to small enterprises or start-ups. It is spread in an area of over 14000+ sq. ft. and with well developed infrastructure which can help start-ups to scale their businesses.

The incubation centre will provide the start-ups with necessary guidance, tech support, infrastructure, access to investors, networking, and facilitating a host of other resources that may be required for the start - up to survive and scale. United Incubation Hub aims to bring out new start-up activities in the process of preparing young entrepreneurs to create new Startups. The emphasis is on converting novel ideas into prototypes.

United Incubation Hub help entrepreneurs solve the problems which is commonly associated with running a startup by providing workspace, seed funding, mentoring, and training.

UIH provides start-ups and early-stage businesses with the support and resources those young companies find difficult to access. Their support might involve access to networks, investors and mentors, or co-working space alongside other businesses and experienced professionals.

## VISION

UNITED INCUBATION HUB (UIH) is operating with a long-term vision of creating opportunities for the individuals / students / entrepreneurs, to convert their innovative ideas into Start-ups. UIH will act as a catalyst by providing handholding support to the budding entrepreneurs & start-ups so that they can excel in their respective fields of innovation and entrepreneurship.

## MISSION

- To contribute a small step in the development of our nation by empowering entrepreneurship & startups as a tool for creating job opportunities.
- To promote the culture of technological transformation of creative ideas into successful start-ups.
- To establish an excellent infrastructure and providing required resources for Product development.
- To build a dynamic start-up ecosystem in and around the region of Prayagraj by establishing a network between aspiring entrepreneurs, start-ups & industries.
- To support the start-ups for availing the benefits announced by the Start-up India & Start in UP.
- Provide professional advisory services including Legal, Financial, & Technical.
- To provide Guidance / Mentorship from the Industrial & Academic experts.

## INFRASTRUCTURE

- 14000+ SQUARE FT. OF FLOOR AREA.
- ASSEMBLY HALL WITH PROJECTOR.
- CONFERENCE ROOM, INNOVATION LAB
- MEETING ROOM WITH DIGITAL PRESENTATION FACILITIES
- 10 START-UP CUBICLES (2 ROOMS HAVING 5 CUBICLES OF 10X 10 SQUARE FT. EACH)
- CO-WORKING SPACE FOR 24 EMPLOYEES WITH COMPUTER SYSTEM & WI-FI ACCESS.

## SERVICES

- Academic & Industrial Mentorship
- Pre-Incubation Services for aspiring entrepreneurs
- Funding opportunities from various angel Investors and VC's
- Focused training programs
- Legal Advisory for discussion (Paid Basis).
- Financial Advisory for discussion (Paid Basis).
- Support in Company Registration.
- Support in Company Certification
- Start-ups can participate in events Held in UIH.
- Support in providing manpower for the Start-up if needed.
- Startups are Eligible to give their Idea presentation in UIH & the events organized by UIH.

## FACILITIES

- Physical and Virtual Incubation available for startups
- Validation of products and services
- WI-FI campus,
- Computer Systems
- Printers & Copiers available.

# TESTIMONIALS

My time at United Group of Institutions (2014-18) laid the foundation for everything I have achieved professionally. The CRC team played a crucial role in preparing us for real-world challenges and supported us at every step of the placement journey. I will always be grateful for the opportunities, mentorship, and confidence I gained during my time at United Group of Institutions.

**Ayushi Mishra**  
B.Tech CSE  
BATCH 2018-22

From the very first day in United Group, I was nurtured with the art of fairness, love and care, all focused on making me what I am today. It has not only made me academically efficient but developed my overall personality and made me ready to face the competitive world. I am extremely grateful for guiding me in my ravishing journey which helped me secure some exceptional placements and through that experience.
