

ALL INDIA INSTITUTE OF MEDICAL SCIENCES
New Delhi

PROSPECTUS

2023

MBBS Course

Prospectus of MBBS Course: AIIMS, New Delhi

1.1 AIIMS, New Delhi

All India Institute of Medical Sciences was established by an Act of Parliament of 1956 as an autonomous Institution of National Importance and its objectives and functions were defined. By virtue of this Act, the Institute awards its own medical degrees, diplomas and other academic distinctions. The degrees and diplomas awarded by the Institute under the All India Institute of Medical Sciences Act are recognized medical qualifications for the purpose of the National Medical Commission Act (2019) (SI No. 2 of Schedule, Section 37 (1)).

The Institute (AIIMS, New Delhi) is a residential University in which the faculty members, staff and the students live on campus. There are 8 hostels for undergraduate students (6 for boys and 2 for girls) with a capacity to accommodate 575 students.

2.1 AIIMS, New Delhi

The prime focus of the Institute (AIIMS) is to develop patterns of teaching in undergraduate and postgraduate medical education in all the branches so as to demonstrate a high standard of medical education to all medical colleges and allied institutions in India. The other important objectives of the Institute is to bring together in one place educational facilities of the highest order for the training of personnel in all the important branches of health activities and to attain self-sufficiency in postgraduate medical education. The educational principles and practices being adopted are those which are the best suited to the needs of the country. Adaptation of education to meet the problems of community health is a major preoccupation. To this effect the AIIMS New, Delhi has initiated a model educational programme for rural field practice in the Ballabgarh Community Development Block in collaboration with the Haryana Government. The Institute has also been able to initiate model educational programme in Community Medicine at the urban field practice area in Malviya Nagar, New Delhi. Emphasis is laid on the active learning process and on the cultivation of scholarly habits and scientific methods. The first batch of undergraduate medical students was admitted to the AIIMS, Delhi in the year 1956. Earlier, the Institute had been admitting 50 students every year. In the 2008 session, the intake was increased to 77 and from 2017 the intake was 107 for the M.B.B.S. Course and which was further increased to 132 in 2020. The number of students admitted and number of faculty members is matched to ensure an adequate teacher student ratio. The undergraduate curriculum is constantly reviewed at the Faculty and Staff Council levels and the required changes in the curriculum are brought about in order to evolve a pattern which is the most suitable for the current Indian needs and conditions. Undergraduate medical students get sufficient impetus for higher studies as the Institute provides facilities for postgraduate degrees in almost all the branches of medical sciences. At present, the AIIMS, Delhi is awarding post-graduate degrees in about 55 different specialties /super specialties.

3.0

DURATION OF COURSE

The Course of studies leading to the award of degree of Bachelor of Medicine and Bachelor of Surgery (M.B.B.S.) of the All India Institute of Medical Sciences shall last for a minimum of **five and a half academic years including one year's compulsory internship.**

4.0

Examination, all the candidates will be required to do compulsory internship for a period of one calendar year (12 months) in the hospital and rural health centers recognized by the AIIMS. During the internship period, the interns are allowed a total of 15 days leave in full term of one year. (Any Modification of rules of Internship will be notified separately).

The degree of M.B.B.S. shall be awarded after satisfactory completion of one year's internship.

A handwritten signature in purple ink, consisting of stylized, cursive letters.

Appendix – 1 : Specified Disability Clause

A SCHEDULE is annexed regarding, "SPECIFIED DISABILITY" clause (zc) of section 2, that states as under,

1. Physical disability

A. Locomotor disability (a person's inability to execute distinctive activities associated with movement of self and objects resulting from affliction of musculoskeletal or nervous system or both), including—

- (a) "leprosy cured person" means a person who has been cured of leprosy but is suffering from—
 - (i) loss of sensation in hands or feet as well as loss of sensation and paresis in the eye and eye-lid but with no manifest deformity;
 - (ii) manifest deformity and paresis but having sufficient mobility in their hands and feet to enable them to engage in normal economic activity;
 - (iii) extreme physical deformity as well as advanced age which prevents him/her from undertaking any gainful occupation, and the expression "leprosy cured" shall be construed accordingly;
- (b) "cerebral palsy" means a Group of non-progressive neurological condition affecting body movements and muscle coordination, caused by damage to one or more specific areas of the brain, usually occurring before, during or shortly after birth;
- (c) "dwarfism" means a medical or genetic condition resulting in an adult height of 4 feet 10 inches (147 centimeters) or less;
- (d) "muscular dystrophy" means a group of hereditary genetic muscle disease that weakens the muscles that move the human body and persons with multiple dystrophy have incorrect and missing information in their genes, which prevents them from making the proteins they need for healthy muscles. It is characterized by progressive skeletal muscle weakness, defects in muscle proteins, and the death of muscle cells and tissue;
- (e) "acid attack victims" means a person disfigured due to violent assaults by throwing of acid or similar corrosive substance.

B. Visual impairment—

- (a) "blindness" means a condition where a person has any of the following conditions, after best correction—
 - (i) total absence of sight; or
 - (ii) visual acuity less than 3/60 or less than 10/200 (Snellen) in the better eye with best possible correction; or 92
 - (iii) limitation of the field of vision subtending an angle of less than 10 degree.
- (b) "low-vision" means a condition where a person has any of the following conditions, namely:—
 - (i) visual acuity not exceeding 6/18 or less than 20/60 upto 3/60 or upto 10/200 (Snellen) in the better eye with best possible corrections; or
 - (ii) limitation of the field of vision subtending an angle of less than 40 degree up to 10 degree.

C. Hearing impairment -

- (a) "deaf" means persons having 70 DB hearing loss in speech frequencies in both ears;
- (b) "hard of hearing" means person having 60 DB to 70 DB hearing loss in speech frequencies in both ears;

D. "Speech and language disability" means a permanent disability arising out of conditions such as laryngectomy or aphasia affecting one or more components of speech and language due to organic or neurological causes.

2. Intellectual disability, a condition characterized by significant limitation both in intellectual functioning (reasoning, learning, problem solving) and in adaptive behavior which covers a range of every day, social and practical skills, including—

- (a) "specific learning disabilities" means a heterogeneous group of conditions wherein there is a deficit in processing language, spoken or written, that may manifest itself as a difficulty to comprehend, speak, read, write, spell, or to do mathematical calculations and includes such conditions as perceptual disabilities, dyslexia, dysgraphia, dyscalculia, dyspraxia and developmental aphasia;
- (b) "autism spectrum disorder" means a neuro-developmental condition typically appearing in the first three years of life that significantly affects a person's ability to communicate, understand relationships and relate to others, and is frequently associated with unusual or stereotypical rituals or behaviors.

3. Mental behavior,— "mental illness" means a substantial disorder of thinking, mood, perception, orientation or memory that grossly impairs judgment, behavior, capacity to recognize reality or ability to meet the ordinary demands of life, but does not include retardation which is a condition of arrested or incomplete development of mind of a person, specially characterized by sub normality of intelligence.

4. Disability caused due to—

(a) chronic neurological conditions, such as—

- (i) "multiple sclerosis" means an inflammatory, nervous system disease in which the myelin sheaths around the axons of nerve cells of the brain and spinal cord are damaged, leading to demyelination and affecting the ability of nerve cells in the brain and spinal cord to communicate with each other;
- (ii) "Parkinson's disease" means a progressive disease of the nervous system marked by tremor, muscular rigidity, and slow, imprecise movement, chiefly affecting middle-aged and elderly people associated with degeneration of the basal ganglia of the brain and a deficiency of the neurotransmitter dopamine.

(b) Blood disorder—

- (i) "hemophilia" means an inheritable disease, usually affecting only male but transmitted by women to their male children, characterized by loss or impairment of the normal clotting ability of blood so that a minor wound may result in fatal bleeding;
- (ii) "thalassemia" means a group of inherited disorders characterized by reduced or absent amounts of hemoglobin.
- (iii) "sickle cell disease" means a hemolytic disorder characterized by chronic anemia, painful events, and various complications due to associated tissue and organ damage; "hemolytic" refers to the destruction of the cell membrane of red blood cells resulting in the release of hemoglobin.

5. Multiple Disabilities (more than one of the above specified disabilities) including deaf blindness which means a condition in which a person may have combination of hearing and visual impairments causing severe communication, developmental, and educational problems.

6. Any other category as may be notified by the Central Government.

Note: Any amendment to the Schedule to the RPWD Act, 2016, shall consequently stand amended in the above schedule.
